Rigging Services

The MCCA provides overhead and ground supported rigging and lighting services through our service contractor, JCALPRO. All overhead rigging and ground supported truss are provided by and installed by JCALPRO.

Planning Ahead for Rigging & Lighting Services

Diagrams and booth layouts are essential for planning rigging and lighting services. In order to ensure efficient delivery of required services, Exhibitors must submit rigging plots, drawings, blueprints, or engineers' certification with their orders. Diagrams must include the location, dimensions and weight, and the height from the floor to the top of the suspended item. Diagrams must also show booth outline with aisles or neighboring booths marked for reference and orientation.

PACKAGE RIGGING SOLUTIONS The MCCA offers package rigging solutions for exhibitors with basic and straight forward sign hanging needs. To qualify for the packages, exhibitors must be flexible with regards to days and times of load-in and take-down.	**DISCOUNT**	**STANDARD**	**ON-SITE**
Basic Rigging Package This package includes all lifts, labor, and rigging equipment (cables, pipes, and hardware) necessary to install and take down one sign/banner weighing less than 150 lbs, measuring less than 20' in length, less than 15' diameter, and less than 175 square feet.	$2,285.00	$2,855.00	$3,420.00
Electrical Rigging Package This package includes the Basic Rigging Package plus labor to connect electrical service to an Exhibitor sign/banner. Overhead electrical service for rotator, motor or lighted sign must be ordered separately. Please see Electrical services section for details.	$2,615.00	$3,270.00	$3,925.00
Cable Bridge Package This package includes all lifts, labor, and equipment for a truss cable bridge for overhead power orders 60 amps and above, and for all 480 v overhead power. This package does **NOT** include the electrical service. Service must be added separately. The package service is provided during standard service hours, Monday-Saturday 7am – 12am, except holidays.	$4,160.00	$4,945.00	$5,935.00
Overtime Charges Exhibitors may request rigging services on weekends, holidays or outside the package service hours (Monday-Friday 8AM – 5PM). In this case, an Overtime Charge must be added for each rigging package ordered.		$525.00	

Custom Rigging & Lighting Solutions

The MCCA/JCALPRO also offers customized rigging and lighting solutions for Exhibitors with more complex or unique requirements. This option is best suited for Exhibitors with larger signs, multiple signs, and/or overhead lighting needs.

Custom Rigging and Lighting Solutions still require flexibility in load in and load out time. If you require a specific load in or load out day and/or time, hourly rates may apply (see Terms and Conditions – Page 15).

Custom Rigging & Lighting solutions may only be ordered with a pre-arranged quote.

Please contact JCALPRO at EXHIBITS@JCALPRO.COM or 1.617.954.2345 to initiate this process as these services are not available for online ordering.

CUSTOM RIGGING SOLUTIONS	DISCOUNT	STANDARD	ON-SITE
Truss A truss is an aluminum structure used to create a lower "ceiling" to hang lighting or other suspended items. Additional lengths available as needed.			
Truss 3' Section – Black 12"x12" Box	$60.00	$75.00	$90.00
Truss 3' Section – Silver 12"x12" Box	$55.00	$60.00	$75.00
Truss 4' Section – Black 12"x12" Box	$65.00	$75.00	$85.00
Truss 4' Section – Silver 12"x12" Box	$55.00	$65.00	$75.00
Truss 5' Section – Silver 12"x12" Box	$45.00	$55.00	$60.00
Truss 5' Section – Black 12"x12" Box	$55.00	$65.00	$75.00
Truss 5' Section – Silver 20.5"x20.5" Box	$70.00	$80.00	$100.00
Truss 5' Section – Black 20.5"x20.5" Box	$75.00	$85.00	$105.00
Truss 8' Section – Silver 12"x12" Box	$65.00	$80.00	$100.00
Truss 8' Section – Black 12"x12" Box	$80.00	$100.00	$130.00
Truss 8' Section – Silver 20.5"x20.5" Box	$110.00	$135.00	$155.00
Truss 8' Section – Black 20.5"x20.5" Box	$120.00	$125.00	$145.00
Truss 10' Section – Silver 12"x12" Box	$80.00	$100.00	$130.00
Truss 10' Section – Black 12"x12" Box	$105.00	$135.00	$155.00
Truss 10' Section – Silver 20.5"x20.5" Box	$140.00	$165.00	$190.00
Truss 10' Section – Black 20.5"x20.5" Box	$150.00	$175.00	$200.00
Truss 12' Section – Silver 12"x12" Box	$90.00	$105.00	$135.00
Truss 30" Section – Black 12"x12" Box	$65.00	$75.00	$85.00
Truss 30" Section – Silver 12"x12" Box	$55.00	$65.00	$75.00

Corner Block A corner block is an aluminum piece that attaches to truss to create a right angle.			
Corner Block – Silver 12”x12” Box	$75.00	$90.00	$110.00
Corner Block – Black 12”x12” Box	$100.00	$120.00	$145.00
Corner Block – Silver 20.5”x20.5” Box	$105.00	$135.00	$155.00
Corner Block – Black 20.5”x20.5” Box	$110.00	$140.00	$160.00
Base Plate A base plate is used as a stand for ground supported truss or poles.	$55.00	$65.00	$75.00
Rotator A rotator is a motor used to rotate a hanging sign.	$215.00	$270.00	$320.00
Motor A motor is a motorized hoist that is rigged to the ceiling and attached to truss to achieve a desired height. Motors are also used to safely suspend heavier items that cannot be supported by cables alone. Motors are available in ¼ ton, ½ ton, and 1 ton capacities.	$215.00	$270.00	$320.00
Cheeseboro - Silver A cheeseboro is a clamp used to attach two pieces of truss or pipe together.	$15.00	$18.00	$22.00
Cheeseboro - Black A cheeseboro is a clamp used to attach two pieces of truss or pipe together.	$20.00	$25.00	$25.00
Grapple A grapple is a connector that allows you to make a 90 degree connection between trusses.	$25.00	$30.00	$35.00
