UNION JURISDICTIONS

UNION JURISDICTIONS ARE IN EFFECT AT THE THOMAS M. MENINO CONVENTION CENTER
PLEASE READ THE FOLLOWING SUMMARY OF WHEN LABOR RULES APPLY
THESE RULES MAY IMPACT YOU AS A VENDOR:

(1) If You Require Mechanized Equipment To Move Your Items:
Work rules require that the official material handling contractor off-load all equipment and display material from commercial carriers/common carriers or van lines. The use of fork trucks, pallet jacks and lift gates are permitted only by personnel of the official material handling contractor. Exhibitors are allowed to perform their own material handling, provided they meet all of the following criteria:

Personnel performing the work must be bona fide, full-time company employees of the exhibiting company.

They must be off-loading from a company owned truck or rental vehicle, or from a car, van or truck owned by personnel of the exhibiting company. **All trucks, including co-owned or rental vehicles, with cargo area of 24' or larger in length will be off-loaded or loaded by the official material handling contractor.**

They may use only hand-operated equipment, which they have provided; two wheeled hand trucks and four-wheeled flat trucks are permitted. The use of fork trucks, pallet jacks, lift gates or any other mechanical equipment is not permitted by anyone other than the official drayage contractor.

The use of a loading dock will require your equipment to be unloaded and reloaded by the official drayage contractor.

(2) If You Require Assistance To Set Your Booth:
You may have your full-time employees perform the work to set your booth. The employees used MUST BE FULL-TIME EMPLOYEES of the exhibiting company. Employment ID to verify full-time employment must be produced if requested. Assistance needed in addition to your full-time employees must be ordered through Demers Exposition Services.

For rigging, banner hanging and truss work please use link below to access JCALPRO Order Forms:

Notice to Exhibitors Regarding use of Exhibitor Appointed Contractors:
Exhibitor Appointed Contractors (EAC) may supervise the work performed, but employees of the EAC may not perform the actual work to set the booth.
